RE: Director of Care Announcement

The hiring committee has completed the interviews and we are happy to announce that Chantel Brown is the successful candidate for the key position of Director of Care starting September 23, 2024.

Chantel has been a dedicated employee with Valley Manor for over 32 years and has played a pivotal role in the success of the Nursing Care Coordinator & Continuous Quality Improvement Lead position since 2012. Her leadership, staff management and quality improvement skills will be a tremendous asset to the role of Director of Care.

Chantel will be replacing Gail Yantha as she enters into a new chapter in her journey to a much-deserved retirement on June 1, 2025. Please congratulate Chantel when you see her in the halls.

Thank you,

A handwritten signature in black ink that reads "K. Innocente".
